

some jobs. There would be advantages to the council to purchase a model capable of taking attachments, such as a rotavator (the current rotavator would need replacement soon) with others that could be purchased as and when the work dictated. Funding was available under various budget headings. The various options and quotes were discussed, and it was

**RESOLVED to purchase the BCS740 from Ernest Doe at a cost of £3054 (exc. VAT) with a Rotavator attachment at £560 (exc. VAT) by transfer from HEL 2 fund.**

5.3 Play Equipment at Meadow Way Park

Cllr King led discussion on the 3 quotes received, and it was

**RESOLVED to accept the quote from Kompan for a KPL 518 Pirate Ship and associated works in the sum of £11332.78 (exc. VAT) funded from s.106 monies.**

5.4 St Mary's Churchyard

The Chairman read the letter from St Mary's Church that requested a contribution towards the cost of grounds maintenance. It was

**RESOLVED to pay the £750 budget allocation.**

The Parochial Church Council had also given notice of its intention to instigate the process to close the churchyard to further burials as little spaces remained. Under the LGA 1972 s.215 responsibility for maintenance would fall to the Parish Council, with the obvious budgetary implications. Meantime, further information by way of a map of the area plus maintenance schedules was needed. An additional cost centre to be created to assist forward planning.
