4. Public Participation

A member of the public queried recent correspondence from Norfolk County Council which detailed the road improvements along Middletons Lane resulting from the Persimmon developer contributions. The member of the public felt that an alternative site for the pedestrian crossing should be considered. Cllr S Gurney advised that the original public consultation for these improvements happened in 2016 and the recent correspondence was for properties near to the proposed crossing to confirm the Road Traffic Order.

A query was received about the opening date for the community centre. There is not a firm opening date but progress meetings with the contractors are due to restart shortly.

HPC Full Council Mins 8th March 2022

- Cllr Britcher welcomed the decision to not raise the council tax at Broadland Council for 2022/2023
- Cllr Prutton outlined the process for the £150 refund for those residing in council tax properties in bands A-D for energy costs and advised there would be discretionary payments for higher bands.
- Cllr Gurney advised that she will confirm the location for the proposed pedestrian crossing on Middletons Lane. The roadworks on the Sweetbriar bridge will continue for 4-5 weeks. She had arranged for traffic lights to be located on the bridge on the diversion route and for wardens to monitor the traffic. A burst water main outside the chemist had resulted in four way traffic lights, but this was now repaired. A new drainage system will be installed at Fifers Lane but the works cannot be postponed to allow other local works to finish. The highways forward plan projects for Hellesdon were outlined and it was noted that the Broadland/South Norfolk Accommodation review remained in progress.
- Beat Officer PC Matt Hill was welcomed to the meeting. He reported that the current Safer Neighbourhood Team priorities are speeding, burglaries and theft from vehicles. A day of action was held on the Reephams Road to take enforcement action against those speeding. The police are aware of the problems with parking outside the school and are trying to book a civil enforcement officer to assist. The new SNT priorities will be speeding and road safety and anti-social behaviour, the latter of which will result in high visibility patrols. The clerk is to find out if the SAM data is sent to the police.
