1. Introduction

- 1.1 The Council has the power to make rules in order to regulate the arrangements for the letting of individual allotments on its allotment site at Bush Road Hellesdon (**The Allotment Act 1908 Section 28**).
- 1.2 When those rules are brought into operation they apply to all such allotments, even if held under a tenancy agreement before the rules came into operation.
- 1.3 The Council reserves its right to change the rules from time to time, but will make such changes known to tenants in advance in an appropriate manner e.g. through the Council's website, on-site notice board, email or letter. The Council will supply a copy of any updated rules, free of charge to any person who requests a copy. Tenants will be expected to comply with any rule changes, following the notification process.

2. Definitions and Interpretations

- “The Council” means Hellesdon Parish Council, and includes any committee of the Council, or any allotment officer appointed by the Council under the **Allotments Acts 1908 and 1950**.
- “Allotments” means an area of land set aside by the Council, and protected by statute, for the purposes of leisure and of growing vegetables, limited flowers and fruit.

“Allotment Tenant”	means a person, 18 years or older and residing within the Parish of Hellesdon, who is thereby entitled to rent an allotment plot.
“Allotment Plot”	means a defined area of land that is available to rent for an annual sum.
“Allotment Rent”	means the annual charge for renting an allotment plot for 12 months from 1 October to 30 September. This charge is reviewed annually by the Council and recurring.
“Structures”	means building, shed including base, greenhouse, shelter, animal run or hutch, poly tunnel, pond or other similar construction on an allotment.
“Your Address”	means the address you provide us with at the beginning of your tenancy or any change that you later notify us of.
“Family member”	means somebody who is related to you (by blood, marriage, civil partnership, adoption or other legal formality) or with whom you live as husband and wife or civil partner, provided they have lived with you as part of your household for at least one year before your death.

3. Eligibility Criteria and Allocation of Plots

- 3.1 To be eligible for an allotment a person must be 18 years or older and resident within the Parish of Hellesdon (**Allotments Act 1908 Section 23 (1)**) and registered on the electoral register.
- 3.2 When someone confirms their wish to commence a new tenancy, having identified a vacant plot and clarified that they are eligible, they will be asked to sign a Tenancy Agreement before being allowed to start work on the plot.
- 3.3 When a vacant plot is not available, the Council operates a Waiting List. When a plot becomes vacant the person on the top of the list is given first choice for the tenancy. People are given two weeks to respond to this offer and if no response is received within this time, their name is removed from the waiting list. If they do not wish to or cannot take that plot at that point in time, the Council will allow them to defer whilst staying at the top of the list until another plot becomes available. In this instance the plot will be offered to the next person on the list.
- 3.4 Each allotment tenancy will be in the name of one person only.
- 3.5 Plot allocation is restricted to one plot per household.
- 3.6 All allotment plots are let on an as seen basis.

- 8.2 The Council reserves the right to cancel an allotment tenancy via one month's written Notice To Quit pursuant to **Section 30 (2) of the Allotment Act 1908** if:
 - a. Allotment rent is in arrears for 40 days or more (whether formally demanded or not); or

- 8.3 The Council will initially write to any tenant, where it is considering cancelling a tenancy agreement, explaining the reasons for its concern and asking the tenant for an explanation. Sometimes a plot is not being cultivated due to illness, and the Council will take this into account, and not be unreasonable. A written Notice to Quit will only be issued after all reasonable efforts to resolve the issue have been unsuccessful.
- 8.4 The Council may be required to cancel or temporarily suspend some tenancy agreements, where the land is required or appropriated under statutory provision, or for purposes for providing new services such as roads or sewers, building, mining or any other industrial purpose. In such unusual circumstances the Council shall give tenants 3 months' notice in writing pursuant to **Section 1 of the Allotments Act 1922**. The tenant shall on termination of the tenancy be entitled to compensation only in the event and to the extent prescribed by **section 2, sub-sections 2 and 3, of the Allotments Act 1922**, as amended by **the Allotments Act 1950** but not further or otherwise.
- 8.5 The Council shall on termination of the tenancy be entitled to recover compensation from the tenant by virtue of **section 4 of the Allotments Act 1950** in respect of any deterioration of the land caused by the failure of the plot holder to maintain the land clean and in good state of cultivation and fertility.
- 8.6 The Council may terminate tenancy in any circumstances pursuant to **section 1 (a) of the Allotments Act 1922**, as amended by the **Allotments Act 1950**, by giving the tenant 12 month's written notice, and provided that the notice expires in the winter months (either on or before 6 April of any given year or on or after 29 September of any given year).
- 8.7 On the death of a tenant, the Council shall look sympathetically on a request to transfer ownership to any partner or family member who wishes to be responsible for the maintenance and cultivation of the existing allotment garden. Alternatively, the tenancy shall, unless otherwise agreed in writing, terminate two months after the death of a tenant.
- 8.8 Any tenant evicted from their plot by the issuing of a Notice to Quit will be excluded from future ownership of an allotment plot within the Parish.
